Jeanette B and three other ladies are planning to row the Atlantic Ocean as part of the Tallisker Challenge. It is suggested that the Council invite the ladies to switch on the Christmas lights a week early possibly as they start the challenge the date of the normal switch on.

Cllr Phillipson to email the village with regard to speeding trucks through the village. Hargreaves are proactive if the registration and a time are noted and reported to them.

Cllr Storr attended and accident where a truck had rear ended a Tapperalls landrover. The WPC in attendance chatted with Cllr Storr and gave him the accident reference. She also commented that if villagers were to ring 101 and report any speeding vehicles then whilst nothing would be seen straight away it would be noted. The WPC also said that a painted roundabout at the junction of the A19 and Common Lane would slow traffic down and would be put in her report.
