Acknowledgement of your comment(s) on the Selby District Local Plan Preferred Options Consultation 2021

Thank you for your formal comments submitted in response to Selby District's Preferred Options Local Plan consultation. We will consider all representations alongside further evidence base work in preparing the Selby District Local Plan.

In order for us to collate and process all comments, we will add your representation to our online consultation system (called Objective). This will keep you updated on further rounds of public consultation and key stages in the production of the local plan. You will receive an automated sign-up email from this system in due course if you provide us with your email address.

All representations submitted to local plans are made public and cannot be anonymous. Your name and comments will be publicly viewable at <https://selby-consult.objective.co.uk/kse> when they are published via our Objective consultation system. Other than your name, we will not publish your personal contact details. Your personal data is protected by the Council under Article 4(7) of the General Data Protection Regulation (GDPR). Our Privacy Notice which sets out how we will use your data is provided here <https://www.selby.gov.uk/planning-policy-privacy-notice>.

If you don't want us to add you to the database, please tell us by **31 March 2021** – but be aware that your comments will be deleted and not taken account of in the preparation of the Local Plan.

If you have any queries or have difficulty accessing the information on the Council's website, please contact the Planning Policy Team at localplan@selby.gov.uk or call 01757 292134.
